About Steppin' Up

Steppin' Up raises money, awareness and hope.

Hundreds of walkers, runners, rollers and strollers attend every year.

Launched in 2007, Steppin' Up is a strong show of support for survivors of domestic violence, sexual violence, and stalking.

"I walked my first 5K and this was my first year as a team leader. It was an amazing event and I look forward to next year!"

~2017 Team Leader
